

Europa 2

GBS120 L

EUROPA 2

Europa 2 is a fixed recessed downlight for compact fluorescent PL-C lamps with highly efficient optics and automatic fixing clips for quick and easy installation. These downlights are available in two formats and can be fitted with a prismatic light control panel, opal cover, clear front panel or glare-control louver. Europa 2 is available in a ready-to-install kit version.

Product data
