

DALI Square Track

RCS750 5C6 L2000 ALU (XTSC6200-1)

DALI Square Track, Normal, Aluminum, Tool-protected

Designed for use with DALI projectors with a dedicated adaptor, the DALI Square Track is ideal for users who want lighting flexibility to create a specific ambience in their shop and to reduce energy consumption. The system is made up of a solid aluminum track, which is available in various lengths and with a choice of electrical conductors. Any given configuration can be easily created – horizontal or vertical, mounted on or in the ceiling, on the wall or on free-standing panels. The system can also be used as a floating structure. All luminaires have a separate power supply and can be switched selectively. They can easily be moved to alter the lighting and presentation. In this way, a multifunctional track system can be created for accent lighting as well as for suspending advertising and decorative material.

Product data

| | | | |
|---------------------------------|-----------------------------------|---------------------------------|-----------------------------------|
| General Information | | Full product name | RCS750 5C6 L2000 ALU (XTSC6200-1) |
| Accessory color | Aluminum | Full product code | 871869606535800 |
| Glow-wire test | Temperature 850 °C, duration 5 s | Order code | 06535800 |
| Approval and Application | | Material Nr. (12NC) | 910502500047 |
| Ingress protection code | IP30 [Tool-protected] | Numerator - Quantity Per Pack | 1 |
| Protection class IEC | Safety class I | EAN/UPC - Product/Case | 8718696065358 |
| Product Data | | Numerator - Packs per outer box | 1 |
| Order product name | RCS750 5C6 L2000 ALU (XTSC6200-1) | EAN/UPC - Case | 8718696065358 |
