

CitySwan Bollard

BGP444 LED/740 230V II FG BK-200

CitySwan Pullert, LED LUXEON® K2, 230 V, Flat glass, Safety class II

Being part of the CitySwan family designed by Danish architects Bjarne Schläger and Morten Weeke Borup, the CitySwan Bollard has a stylish, discreet, graceful appearance. The luminaire provides downward functional surface light from high-performance LEDs with incredibly low energy consumption. It is made of dark grey die-cast aluminum, and the housing has a characteristic ellipsoid shape familiar from the CitySwan road luminaire. CitySwan Bollard comes with a choice of three different optical covers: a transparent flat cover for the slickest design, a convex transparent cover for a more elongated light distribution, and a flat, opal cover for optimum uniformity. Nominated for the German design award "Designpreis" in 2009 Danish Design Award 2010/2011. Design: Bjarne Schläger, light + architecture and Morten Weeke Borup, GHB Landskabsarkitekter A/S

Product data

General Information		Operating and Electrical	
Lamp family code	LED-K2 [LED LUXEON® K2]	Input Voltage	230 V
Light source replaceable	No	Cable	-
Driver included	Yes	Controls and Dimming	
Product family code	BGP444 [CitySwan Pullert]	Dimmable	No
Lighting Technology	LED	Control interface	-
CE mark	Yes	Constant light output	No
ENEC mark	-	Approval and Application	
Light Technical		Ingress protection code	IP65 [Dust penetration-protected, jet-proof]
Optical cover type	Flat glass	Mech. impact protection code	IK10 [20 J vandal-resistant]

CitySwan Bollard

Protection class IEC	Safety class II
Product Data	
Order product name	BGP444 LED/740 230V II FG BK-200
Full product name	BGP444 LED/740 230V II FG BK-200
Full product code	570159109630800
Order code	09630800

Material Nr. (12NC)	910502610227
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	5701591096308
Numerator - Packs per outer box	1
EAN/UPC - Case	5701591096308
