# **PHILIPS** Lighting

# LuxSpace, recessed

# DN570B LED20S/830 PSU-E WR WH

LUXSPACE 2 COMPACT LOW HEIGHT, LED Module, system flux 2000 lm, 830 warm white, Power supply unit DC compatible, external, White reflector without louver, White RAL 9003

Customers are looking to optimize all their resources, and that means not just their running costs (energy, etc.) but also their human resources. Energy savings are therefore a priority, but they must not have an adverse effect on the well-being of employees, who need a pleasant environment in order to be more productive, or on customers, who want to enjoy their shopping experience. LuxSpace provides the perfect combination of efficiency, light comfort and design, without compromising on lighting performance (color rendering and color uniformity). It offers a wide choice of options for creating the desired ambience, no matter the application.

## Product data

| General Information      |   |
|--------------------------|---|
| General mormation        |   |
| Lamp family code         | LED20S [LED Module, system flux 2000 lm]        |
| Cap-Base                 | - [-]   |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Gear                     | -   |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |
|                          |   |

| Product family code | DN570B [LUXSPACE 2 COMPACT LOW     |
|---------------------|------------------------------------|
|                     | HEIGHT]                            |
| Lighting Technology | LED                                |
| Value ladder        | Specification                      |
| CE mark             | Yes                                |
| Warranty period     | 5 years                            |
| Flammability mark   | For mounting on normally flammable |
|                     | surfaces                           |
| ENEC mark           | ENEC mark                          |
| Glow-wire test      | Temperature 850 °C, duration 5 s   |
| EU RoHS compliant   |                                    |
