

HGC136 CDO/SON-70W BK

Vivara is an economical, vandal-resistant 'green' bollard range for ground-mounting applications. It comes in a choice of two sizes, both available with Fortimo LED and a variety of discharge and incandescent or compact fluorescent lamps, and both PVC- and mercury-free. The internal louver ensures glare-free light distribution. Special screws have been used to prevent vandalism; however installation could not be simpler, as everything you need is in the box!

General Information	
Lamp family code	SON/CDO [SON or MASTER CityWhite CDO-ET/TT]
Cap-Base	E27 [E27]
Gear	CONV [Conventional]
CE mark	Yes
Flammability mark	For mounting on normally flammable surfaces
Operating and Electrical	
Input Voltage	230 V
Power Consumption	70 W
Mechanical and Housing	
Housing Color	Black
Approval and Application	
Ingress protection code	IP54 [Dust accumulation-protected, splash-proof]
