

Vivara

HGC137 MAX75W-E27 GN

VIVARA, E27, Green

Vivara is an economical, vandal-resistant ‘green’ bollard range for ground-mounting applications. It comes in a choice of two sizes, both available with Fortimo LED and a variety of discharge and incandescent or compact fluorescent lamps, and both PVC- and mercury-free. The internal louver ensures glare-free light distribution. Special screws have been used to prevent vandalism; however installation could not be simpler, as everything you need is in the box!
