

Vaya Touch Controller

VAYACT LRC2012 VAYA TOUCH WH

Vaya Touch white

Vaya Touch is a stand-alone DMX512 controller designed for use with LED lighting fixtures. With Vaya Touch you can select from six pre-set colours, select the colour of your choice, or select from six dynamic sequences (Programs). In addition, there are six brightness presets for each colour or program, and six speed levels for the program's colour-changing light shows. The toggle wheel lets you seamlessly select a custom colour or brightness. The custom colour can be stored in one of the six memory presets. Vaya Touch is mounted in single-gang (US) wall boxes.
