

# CoreLine SlimDownlight

## DN135C LED20S/840 PSU II WH

LED Module, system flux 2000 lm, 840 neutral white, Power supply unit (On/Off), Safety class II, White

CoreLine slimdownlight delivers on the CoreLine promise of innovative, easy to use and high-quality indoor LED downlights. CoreLine slimdownlight is an innovative range of recessed and surface-mounted luminaires. It is designed to provide uniform lighting across multiple application areas. With instant energy savings and a longer lifetime, this is an environmentally friendly and cost saving solution. Its MultiColorTemp feature offers a choice of two color temperatures in a single luminaire. This makes it easy to select the right product, gives you the flexibility respond to customer preferences on site, and means fewer product codes on stock. Simple and easy installation means our slim downlight fits the same size cut-out, while the minimal built-in depth of 34mm makes this product an ideal space saving solution, especially for projects with limited fitting space. InterAct Ready option with integrated wireless communications in this family is available, to be used with InterAct gateways, sensors and software.

#### **Product data**

| General Information      |  |
|--------------------------|--|
| Lamp family code         | LED20S [LED Module, system flux 2000 lm] |
| Light source replaceable | No                                       |
| Number of gear units     | 1 unit                                   |
| Gear                     | -  |
| Driver included          | Yes                                      |
| Remarks                  | *-Per Lighting Europe guidance paper     |
|                          | "Evaluating performance of LED based     |
|                          |  |

|                     | luminaires - January 2018": statistically there |
|---------------------|---|
|                     | is no relevant difference in lumen              |
|                     | maintenance between B50 and for example         |
|                     | B10. Therefore, the median useful life (B50)    |
|                     | value also represents the B10 value.            |
| Service tag         | Yes   |
| Lighting Technology | LED   |
| Glow-wire test      | Temperature 650 °C, duration 5 s                |
|                     |   |
