# SmartForm LED BPS460

# BPS460 LED24/840 PSD W16L124 LIN-PC SMT2

SmartForm suspended BPS460, LED Module 2400 lm, 840 neutral white, Power supply unit with DALI interface, Linear-lens array in polycarbonate cover

We all feel and perform better in a pleasant, comfortable working environment. Designed for use in offices, shops and schools, the SmartForm family of suspended luminaires combines best-in-class lighting with a clean, distinctive design. These ultra-flat luminaires are available with a choice of MASTER TL5, TL5 ECO or LED light sources in rectangular and square versions with direct/indirect lighting combinations. They can also be used to form light-lines and structures. With its wide choice of very efficient and comfortable micro-optics and covers, SmartForm suspended provides the ideal solution for every situation. Lighting controls can be added for further energy saving.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED24 [LED Module 2400 lm]                      |
| Light source replaceable | No  |
| Number of gear units     | Unit  |
| Driver included          | Yes   |
| Remarks                  | *- According to the Lighting Europe guidance    |
|                          | paper 'Evaluating performance of LED based      |
|                          | luminaires – January 2018': statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between the B50 and, for            |
|                          | example, the B10. Therefore, the median         |

|                     | useful life (B50) value also represents the B10 |
|---------------------|---|
|                     | value.  |
| Product family code | BPS460 [SmartForm suspended BPS460]             |
| Lighting Technology | LED   |
| Embedded control    | -   |
| CE mark             | Yes   |
| Warranty period     | 5 years   |
| Flammability mark   | For mounting on normally flammable surfaces     |
| ENEC mark           | ENEC mark                                       |
| Glow-wire test      | Temperature 850 °C, duration 5 s                |

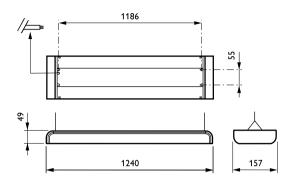

## SmartForm LED BPS460

| EU RoHS compliant                      | Yes                                      |
|--|--|
|  |  |
| Light Technical                        |  |
| Luminous Flux                          | 2,200 lm                                 |
| Correlated Colour Temperature          | 4000 K                                   |
| Luminous efficacy (rated) (nom.)       | 102 lm/W                                 |
| Colour rendering index (CRI)           | ≥80                                      |
| Beam angle of light source             | - degree(s)                              |
| Light source colour                    | 840 neutral white                        |
| Optic type                             | -  |
| Optical cover type                     | Linear-lens array in polycarbonate cover |
| Luminaire light beam spread            | 140°                                     |
| Unified Glare Rating (CEN)             | Not applicable                           |
|  |  |
| Operating and Electrical               |  |
| Input Voltage                          | 220 to 240 V                             |
| Line Frequency                         | 50 to 60 Hz                              |
| Inrush current                         | 48 A                                     |
| Inrush time                            | 1 ms                                     |
| Power Consumption                      | 21.5 W                                   |
| Power Factor (Fraction)                | 0.95                                     |
| Connection                             | Connection unit 5-pole                   |
| Cable                                  | -  |
| Number of products on MCB of 16 A type | 20                                       |
| В                                      |  |
|  |  |
| Temperature                            |  |
| Ambient temperature range              | +10 to +40 °C                            |
|  |  |
| Controls and Dimming                   |  |
| Dimmable                               | Yes                                      |
| Driver/power unit/transformer          | Power supply unit with DALI interface    |
| Control interface                      | DALI                                     |
| Constant light output                  | No                                       |
|  |  |
