

LumiMotion

EPC300 II GR D9 C4K5

Lumimotion, Safety class II, Dark gray 10714

Municipal authorities are under pressure to improve energy efficiency in order to comply with legislation and Kyoto targets. They are also facing calls to address the issue of light pollution, specifically for the sake of night and nature preservation. Yet at the same time, safety remains a paramount concern. Light only where and when it is needed. LumiMotion is the first stand-alone lighting system specifically designed to minimize waste light without compromising on people's safety. By intelligently sensing activity around it, LumiMotion adjusts the lighting to a maximum level when there is activity, and to extremely low levels when there is no activity at all. In this way, the system saves up to 80% energy costs while maintaining safety on the streets. LumiMotion is only available as a Turnkey project solution. Please contact your Philips representative for more information.

Product data

General Information		Material	
Accessory color	Dark gray 10714	Polyamide	
Product family code	EPC300 [Lumimotion]	Approval and Application	
Operating and Electrical		Ingress protection code	IP66 [Dust penetration-protected, jet-proof]
Input Voltage	220 to 240 V	Mech. impact protection code	IK08 [5 J vandal-protected]
Line Frequency	50 or 60 Hz	Protection class IEC	Safety class II
Mechanical and Housing		Product Data	
Housing Color	Grey	Full product code	871869661312200
Overall length	389 mm	Order product name	EPC300 II GR D9 C4K5
Overall width	120 mm	Order code	910505016866
Overall height	215 mm	Numerator - Quantity Per Pack	1
Dimensions (Height x Width x Depth)	215 x 120 x 389 mm	Numerator - Packs per outer box	1
		Material Nr. (12NC)	910505016866

Full product name	EPC300 II GR D9 C4K5
EAN/UPC - Case	8718696613122
EAN/UPC - Product/Case	8718696613122
