LumiMotion

EPC300 II SI D9 C4K5

Lumimotion, Safety class II, Silver

Municipal authorities are under pressure to improve energy efficiency in order to comply with legislation and Kyoto targets. They are also facing calls to address the issue of light pollution, specifically for the sake of night and nature preservation. Yet at the same time, safety remains a paramount concern. Light only where and when it is needed. LumiMotion is the first stand-alone lighting system specifically designed to minimize waste light without compromising on people's safety. By intelligently sensing activity around it, LumiMotion adjusts the lighting to a maximum level when there is activity, and to extremely low levels when there is no activity at all. In this way, the system saves up to 80% energy costs while maintaining safety on the streets. LumiMotion is only available as a Turnkey project solution. Please contact your Philips representative for more information.

Product data

General Information

Accessory color	Silver
Product family code	EPC300 [Lumimotion]

Operating and Electrical

Input Voltage	220 to 240 V
Line Frequency	50 or 60 Hz

Mechanical and Housing

Housing Color	Silver
Overall length	389 mm
Overall width	120 mm
Overall height	215 mm
Dimensions (Height x Width x Depth)	215 x 120 x 389 mm

Material	Polyamide

Approval and Application

Ingress protection code	IP66 [Dust penetration-protected, jet-proof]
Mech. impact protection code	IK08 [5 J vandal-protected]
Protection class IEC	Safety class II

Product Data

Full product code	871869661313900
Order product name	EPC300 II SI D9 C4K5
Order code	910505016867
Numerator – Quantity Per Pack	1
Numerator – Packs per outer box	1
Material Nr. (12NC)	910505016867

LumiMotion

Full product name	EPC300 II SI D9 C4K5
EAN/UPC – Case	8718696613139
EAN/UPC – Product/Case	8718696613139
