

# Maxos mounting accessories

## 9MX056 MB-SW L3000 WH

ACC MAXOS, White

The light line fulfils two functions: first, it provides a sturdy in-line mounting rail on which to fix the electrical units, and second, it provides a housing for the electrical cables that bring power to the units. For suspended light lines, the light-line sections are connected using the integrated electrical connector and a sturdy external mechanical coupling piece (accessory). Surface-mounted light lines use the same integrated electrical connector and an internal coupler (accessory). On the upper part of the light-line section, special knock-out openings enable cable entry wherever needed. The basic accessories of Maxos TL-D trunkings can also be used for the TL5 trunkings.

### Product data

General Information		Full product name	
Accessory colour	White	Full EOC	9MX056 MB-SW L3000 WH
Product family code	9MX056 [ACC MAXOS]	Order code	403073225867300
		Material no. (12 NC)	25867300
		SAP numerator – quantity per pack	910605143926
		EAN/UPC – Product/Case	1
		Numerator – packs per outer box	4030732258673
		EAN/UPC – Case	1
			4030732258673
Approval and Application			
Ingress protection code	-		
Protection class IEC	-
