

Maxos, TL-D IP64 trunking

4MX056 583 5x1.5 IP64 WH

MAXOS TST8, Dust penetration-protected, splashproof, White

The IP64 trunking sections are made of hot-dip galvanized steel with a white powder coating. They are available in lengths of 1, 2 and 3 electrical units 36 and 58 W. Special seals between the sections and waterproof trunking end-pieces are used (please order separately). A flat ribbon cable (5 or 7 wires) is integrated in the trunking and guarantees (in combination with an integrated phase selection switch and contact blocks) safe and correct cabling. The 7-wire cable is used to integrate light regulation or emergency lighting for those electrical units that are equipped with emergency battery packs. Hence, no extra contact blocks or wiring need to be installed. For suspended light-lines, the trunking sections are connected using the integrated electrical connector and a sturdy external mechanical coupling piece (accessory). Surface-mounted light lines use the same integrated electrical connector and an internal coupler (accessory). On the upper part of the trunking section, special knock-out openings enable cable entry wherever needed. The IP64 trunking can be equipped with special IP64 electrical units and different reflectors. The outstanding stability of the sections and coupling pieces allows suspension intervals of 3.4 to 4.8 m.

Product data

General Information		Mechanical and Housing	
Product family code	4MX056 [MAXOS TST8]	Housing Color	White
Flammability mark	For mounting on normally flammable surfaces	Overall length	4,590 mm
ENEC mark	ENEC mark		
		Approval and Application	
		Ingress protection code	IP64 [Dust penetration-protected, splashproof]

Maxos, TL-D IP64 trunking

Protection class IEC	Safety class I
Product Data	
Order product name	4MX056 583 5x1.5 IP64 WH
Full product name	4MX056 583 5x1.5 IP64 WH
Full product code	403073257844399
Order code	910610016626

Material Nr. (12NC)	910610016626
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	4030732578443
Numerator - Packs per outer box	2
EAN/UPC - Case	4030732104673
