

Maxos LED panel

4MX856 5x2.5 L3600 WH

Maxos LED trunkings, White

Our Maxos LED panel is the first LED trunking system on the market to meet the strict requirements of supermarkets. The movable panel offers flexible and efficient LED lighting, outperforming conventional trunking systems in terms of energy efficiency and lighting design possibilities (adjustable beam shapes). With its inspiring modern design, the Maxos LED panel truly makes our customers stand out from the competition. Thanks to its high-efficiency LED light engines and innovative optical system, Maxos LED panel delivers excellent store lighting, meeting light-level and glare norms. It is available – in a choice of colors – as a new installation and as a retrofit to existing conventional installations.
