# **PHILIPS** Lighting

# **Maxos LED**

# 4MX850 491 LED40S/830 PSU A20 SI

Maxos Led Industry, LED module, system flux 4000 lm, 830 warm white, Power supply unit (On/Off), Asymmetrical mirror axis angle 20°, Silver

Customers in the industrial and retail sectors are looking for general lighting solutions with a justifiable payback, while meeting all relevant norms for supermarkets and industry applications. For a limited investment, Maxos LED Industry offers best-in-class energy savings while delivering high lux levels at the required color temperatures and glare factors. The minimalistic Maxos LED Industry system comprises exchangeable mid-power LED boards mounted on a standard Maxos trunking rail. A choice of wide and medium-beam lenses means flexibility in light distribution. Compared with a conventional fluorescent installation, this highly efficient LED solution offers full payback in less than three years. And the benefits keep coming: the use of our upgradable LED engine platform makes Maxos LED Industry a truly future-proof solution.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED40S [LED module, system flux 4000 lm]        |
| Cap-Base                 | - [-]   |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Gear                     | -   |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          |   |

|                     | maintenance between B50 and for example      |
|---------------------|--|
|                     | B10. Therefore, the median useful life (B50) |
|                     | value also represents the B10 value.         |
| Product family code | 4MX850 [Maxos Led Industry]                  |
| Lighting Technology | LED  |
| Value ladder        | Performance                                  |
| CE mark             | Yes  |
| Warranty period     | 5 years                                      |
| Flammability mark   | -  |
| ENEC mark           | ENEC mark                                    |
| Glow-wire test      | Temperature 650 °C, duration 30 s            |
|                     |  |

## **Maxos LED**

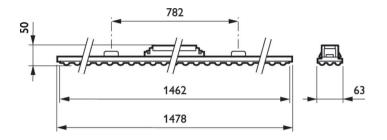

| EU RoHS compliant                      | Yes                                |
|--|------------------------------------|
| Liebt Technical                        |                                    |
