

# Koffer² SGP070

## ZGP070 L-FRONT

Koffer² is an archetypal modern road lighting luminaire which meets the needs of today's road users and operators. Total cost over lifetime was a key consideration in the development of Koffer². The future-proof luminaire delivers outstanding optical performance, enabling optimum spacing and energy efficiency, and is easy to install and maintain. With its rectangular shape, Koffer² offers an alternative to rounded luminaires. It is available in three sizes – for mounting heights from 3.5 to 12 meters – and with dedicated masts and brackets, making it equally suitable for integration into modern urban environments or more traditional lighting designs. The Koffer² family accommodates CosmoPolis white-light technology and LED-enabled versions. Each Koffer² luminaire is fully recyclable; only the light source and driver have to be recycled separately.

### Product data

Product Data	
Order product name	ZGP070 L-FRONT
Full product name	ZGP070 L-FRONT
Full product code	403073222763100
Order code	910630233021
Material Nr. (12NC)	910630233021

Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	4030732227631
Numerator - Packs per outer box	1
EAN/UPC - Case	4030732227631
