

Iridium SGS253/453

SGS253 CPO-T140W K EB II GB GR

IRIDIUM, 140 W, Electronic, Glass bowl/cover

Iridium is a family of road-lighting luminaires designed for three main applications – residential areas and minor roads, major roads and motorways. Its modularity allows the integration of optical or electronic components in order to adapt to the changing demands of road lighting, e.g. the growing demand for white light and controls.

Iridium ensures low cost of ownership thanks to its superior optics, dimming and Telemangement capability, and ease of installation and maintenance. The Iridium luminaire family includes MASTERColour CDM Elite MW, CosmoPolis and LED-enabled versions. It comes in four different sizes – for mounting heights from 3.5 to 12 meters – and is suitable for side-entry and post-top mounting. A full range of brackets ensures visual consistency between the column and the gently rounded luminaire, making Iridium a total solution. Each Iridium luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Product data

General Information	
Gear	EB [Electronic]
Product family code	SGS253 [IRIDIUM]
CE mark	Yes

Light Technical	
Optical cover type	Glass bowl/cover

Operating and Electrical	
Power Consumption	140 W

Mechanical and Housing	
Housing Color	Gray

Approval and Application	
Protection class IEC	Safety class II

Product Data	
Order product name	SGS253 CPO-T140W K EB II GB GR
Full product name	SGS253 CPO-T140W K EB II GB GR
Full product code	871155967764400
Order code	910721401172
Material Nr. (12NC)	910721401172
Numerator - Quantity Per Pack	1

Iridium SGS253/453

EAN/UPC - Product/Case	8711559677644
Numerator - Packs per outer box	1
EAN/UPC - Case	8711559677644
