

Modena

SGP681 CPO-T140W K EB II OC FG AL GR

MODENA P, MASTER CosmoWhite CPO-TW, 140 W, Electronic, Safety class II, Optic for CosmoPolis lamp, Flat glass, Grey

Modena is a road-lighting luminaire that combines elegance and excellent lighting performance. Its fluid, rounded form gives it a strong and distinctive visual character. Modena offers a wide choice of optical, electrical and mechanical options to satisfy all road applications. It allows considerable energy savings (dimming with standard dimming devices or stand-alone Lumistep and Chronosense systems; electronic ballast or Telemangement system) and is easy to install and maintain. The Modena family accommodates CosmoPolis white-light technology and LED-enabled versions and comes in three sizes – for mounting heights from 3.5 to 12 meters. Each Modena luminaire is fully recyclable; only the light source and driver have to be recycled separately.

Product data

General Information		Optic type outdoor	
Lamp family code	CPO-TW [MASTER CosmoWhite CPO-TW]	Optic for CosmoPolis lamp	
Gear	EB [Electronic]	Operating and Electrical	
Product family code	SGP681 [MODENA P]	Input Voltage	220 to 240 V
CE mark	Yes	Power Consumption	140 W
ENEC mark	ENEC mark	Mechanical and Housing	
Light Technical		Housing Color	Grey
Standard tilt angle posttop	5°	Parts color	All parts colored
Standard tilt angle side entry	0°	Approval and Application	
Number of light sources	1	Ingress protection code	IP66 [Dust penetration-protected, jet-proof]
Optical cover type	Flat glass	Mech. impact protection code	IK08 [5 J vandal-protected]

Modena

Protection class IEC	Safety class II
