

TTX260

GTX260 35-80W L1-WR SI

35 W, 49 W, 80 W, Silver

TTX260 is a value-for-money, versatile light-line solution – it can be used with or without (low-cost) reflectors, and the family easily covers most applications. This simple, two-component system features a clever design that avoids the use of a geartray. And T5 miniaturization minimizes the use of materials. These factors make TTX260 a low-cost investment, and yet its relatively high light output ratio ensures good lighting performance. What's more, installation costs are minimized thanks to the place-and-click fitting system, which requires no special tools or training. Sturdy, yet slim and stylish, TTX260 has a look similar to the popular Maxos light-lines.

Product data

General Information			
Accessory color	Silver	Order code	910925239111
Product family code	GTX260 [TTX260]	Numerator - Quantity Per Pack	1
		Numerator - Packs per outer box	5
Operating and Electrical		Material Nr. (12NC)	910925239111
Power Consumption	35 49 80 W	Full product name	GTX260 35-80W L1-WR SI
		EAN/UPC - Case	8718291049210
Product Data		EAN/UPC - Product/Case	8718291049289
Full product code	871829104928999		
Order product name	GTX260 35-80W L1-WR SI
