

Pacific LED Green Parking

WT470Z MDU-PS

Pacific LED Green Parking, Accessory

Lighting is needed in parking garages to provide safety and guidance. However, because it is not possible to predict exactly when light will be needed, the lighting is often left on. As a result, lighting energy costs can be as high as 70% of the total operational costs of a parking garage. Based on the newest LED technology and optics, Pacific LED Green Parking with presence-detection controls is an innovative, flexible and fully retrofit system for parking operators who want to reduce their energy consumption and the related CO₂ emissions – without compromising the safety and comfort that lighting offers parking garage users.

Product data

General Information	
Product family code	WT470Z [Acc. Pacific LED]
Value ladder	Specification
Product Data	
Order product name	WT470Z MDU-PS
Full product name	WT470Z MDU-PS
Full EOC	871829189766800

Order code	89766800
Material no. (12 NC)	910925255109
SAP numerator – quantity per pack	1
EAN/UPC – Product/Case	8718291897668
Numerator – packs per outer box	1
EAN/UPC – Case	8718291897668
