

# **Metronomis LED Fluid**

## BDS670 GRN40-3S/740 PSR I MDW D9 76

Metronomis LED, LED GreenLine 4000 lm, Power supply unit with DALI interface, Metronomis distribution wide, Spigot for diameter 76 mm

Metronomis LED is the first post-top range in the world to offer a palette of environmental lighting effects to give projects a unique contextual or aesthetic touch. An innovative play of reflection, light and shadow creates an environmental pattern on the ground or on the bowl to create additional ambience. Four new iconic designs — with a visual and modular link to Metronomis I — are reduced to the essential elements. During the day, the discreet, transparent design blends into its context, be it contemporary or classical, while its night-time appearance is both functional and decorative. The flexible, modular Metronomis LED comes with a range of columns and a wide variety of optics and effects, enabling architects and lighting designers to create a unified, consistent lighting design that still reflects the differences in urban culture and history.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | GRN40 [LED GreenLine 4000 lm]             |
| Light source replaceable | Yes                                       |
| Number of gear units     | 1 unit                                    |
| Driver included          | Yes                                       |
| Photocell                | -   |
| Remarks                  | *-Per Lighting Europe guidance paper      |
|                          | "Evaluating performance of LED based      |
|                          | luminaires - January 2018": statistically |
|                          | there is no relevant difference in lumen  |
|                          | maintenance between B50 and for example   |

|                          | B10. Therefore, the median useful life (B50) |
|--------------------------|--|
|                          | value also represents the B10 value.         |
| Light source engine type | LED  |
| Product family code      | BDS670 [Metronomis LED]                      |
| Lighting Technology      | LED  |
| Value ladder             | Specification                                |
| Embedded control         | -  |
| CE mark                  | Yes  |
| Warranty period          | 5 years                                      |
| Flammability mark        | -  |
| ENEC mark                | ENEC mark                                    |
