# Iridium<sup>2</sup> LED Medium

# BGP352 GRN59-3S/740 DM AL GR T15

Iridium<sup>2</sup> LED Medium, LED GreenLine 5900 lm, 740 neutral white, Distribution medium, Grey

Iridium<sup>2</sup> is a family of road-lighting luminaires designed for performance and sustainability. Depending on the application and budget, customers can start with LED, electronic HID or a mix of both technologies with the same luminaire. Whatever the initial choice, Iridium<sup>2</sup>'s modularity allows customers to upgrade their installations (LED to LED or e-HID to LED) whenever they want, simply by changing the light engine. The integration of LEDGINE, brand new HID optics, electronic gear and controls is a response to the growing demand for energy savings. The new Iridium<sup>2</sup> HID optics are designed to deliver best-in-class lighting performance while offering tremendous flexibility in application. All these features, combined with Iridium<sup>2</sup>'s ease of installation and maintenance, ensure that customers enjoy low cost of ownership.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | GRN59 [LED GreenLine 5900 lm]                   |
| Light source replaceable | Yes   |
| Number of gear units     | Unit  |
| Driver included          | Yes   |
| Photocell                | -   |
| Remarks                  | *- According to the Lighting Europe guidance    |
|                          | paper 'Evaluating performance of LED based      |
|                          | luminaires – January 2018': statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between the B50 and, for            |
|                          | example, the B10. Therefore, the median         |
|                          |   |

|                          | useful life (B50) value also represents the |
|--------------------------|---|
|                          | B10 value.                                  |
| Light source engine type | LED   |
| Product family code      | BGP352 [Iridium <sup>2</sup> LED Medium]    |
| Lighting Technology      | LED   |
| Embedded control         | -   |
| CE mark                  | Yes   |
| Warranty period          | 5 years                                     |
| Flammability mark        | -   |
| ENEC mark                | -   |
| EU RoHS compliant        | No  |
|                          |   |

### Iridium<sup>2</sup> LED Medium

| Light Technical                  |                     |
|----------------------------------|---------------------|
| Upwards light output ratio       | 0                   |
| Luminous Flux                    | 5,369 lm            |
| Standard tilt angle post-top     | 0°                  |
| Standard tilt angle side entry   | 0°                  |
| Correlated Colour Temperature    | 4000 K              |
| Luminous efficacy (rated) (nom.) | 72 lm/W             |
| Colour rendering index (CRI)     | 70                  |
| Light source colour              | 740 neutral white   |
| Optical cover type               | Flat glass          |
| Luminaire light beam spread      | 150° x 62°          |
| Optic type outdoor               | Distribution medium |

| Operating and Electrical               |  |
|--|--|
| Input Voltage                          | 220 to 240 V                           |
| Line Frequency                         | 50 to 60 Hz                            |
| Inrush current                         | 46 A                                   |
| Inrush time                            | 0.25 ms                                |
| Power Consumption                      | 46 W                                   |
| Power Factor (Fraction)                | 0.9                                    |
| Connection                             | Plug-in connector 3-pole Wieland/Adels |
|  | compatible                             |
| Cable                                  | -                                      |
| Number of products on MCB of 16 A type | 11                                     |
