## BGP213 ECO49/740 II DM MSP CLO-LS-8 D18

LumiStreet Small, LED EconomyLine 4900 lm, 740 neutral white, Safety class II, Distribution medium, Marine salt protected coating, Constant light output and LumiStep dimming 8 hours, Cable 10 m without plug

Many local authorities today have an outdated public lighting installation that urgently needs to be replaced, yet have only a limited budget available. We have the answer to their needs. With its compact design and modern LED architecture, LumiStreet is a versatile, cost-effective luminaire that fulfils basic functional road lighting requirements. It is made of high-quality components that ensure long lifetime and low maintenance cost. The result? A road lighting luminaire that provides effective illumination while at the same time cutting energy and maintenance bills. Core version design for high-volume projects at relatively low initial budget. Offer limited range of optics. Performer version design for customer who are preparing big renovation projects, TCO oriented.

#### **Product data**

| General Information                         |  |  |
|---|--|--|
| Lamp family code                            | ECO49 [LED EconomyLine 4900 lm]                    |  |
| Light source replaceable                    | Yes  |  |
| Number of gear units                        | 1 unit   |  |
| Driver included                             | Yes  |  |
| Photocell                                   | -  |  |
| lemarks *-Per Lighting Europe guidance pape |  |  |
|   | "Evaluating performance of LED based               |  |
|   | luminaires - January 2018": statistically there is |  |
|   | no relevant difference in lumen maintenance        |  |
|   | between B50 and for example B10. Therefore,        |  |

|                          | the median useful life (B50) value also        |  |  |
|--------------------------|--|--|--|
|                          | represents the B10 value. * At extreme ambient |  |  |
|                          | temperatures the luminaire might               |  |  |
|                          | automatically dim down to protect              |  |  |
|                          | components                                     |  |  |
