SGP340 SON-T250W K 240V I FG SKD P1 76

SELENIUM, SON-T, 250 W, 240 V, Safety class I, Flat glass, NEMA socket for photocell, Spigot for diameter 76 mm

Selenium SGP340 is an efficient, ergonomic road-lighting luminaire. Its simple, rounded form reduces its daytime visual impact, allowing it to integrate into any kind of environment. Selenium incorporates the renowned T-POT reflector for excellent optical performance. Energy savings are possible by means of dimming with a switch or stand-alone Chronosense system (without pilot cable). Selenium is suitable for side-entry or post-top mounting, with a choice of three tilt angles for optimal installation (0, 5, 15°).
