# **PHILIPS** Lighting

# **CoreLine Trunking**

# LL122X LED80S/840 1x PSD VWB 7 WH

CoreLine Trunking, 3, LED Module, system flux 8000 lm, Power supply unit with DALI interface, Very wide beam, Feed-through wiring 7-phase, White

Whether for a new facility or renovation of an existing space, customers want lighting solutions that provide quality of light and substantial energy and maintenance savings. The new CoreLine Trunking range of LED products can be used to replace general lighting. The process of selecting, installing and maintaining is so easy – it's a simple switch.

#### **Product data**

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED80S [LED Module, system flux 8000 lm]        |
| Light source replaceable | No  |
| Number of gear units     | 1 unit  |
| Driver included          | Yes   |
| Feed-through wiring      | Feed-through wiring 7-phase                     |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |
| Service tag              | Yes   |
| Product family code      | LL122X [CoreLine Trunking]                      |
| Lighting Technology      | LED   |
| CE mark                  | Yes   |
|                          |   |

| Warranty period                    | 3 years + 2 years upon registration |  |
|------------------------------------|-------------------------------------|--|
| Flammability mark                  | For mounting on normally flammable  |  |
|                                    | surfaces                            |  |
| ENEC mark                          | ENEC mark                           |  |
| Glow-wire test                     | Temperature 650 °C, duration 5 s    |  |
| EU RoHS compliant                  | Yes                                 |  |
|                                    |                                     |  |
| Light Technical                    |                                     |  |
| Luminous Flux                      | 8,000 lm                            |  |
| Correlated Color Temperature (Nom) | 4000 K                              |  |
| Luminous Efficacy (rated) (Nom)    | 148 lm/W                            |  |
| Color rendering index (CRI)        | ≥80                                 |  |
| Number of light sources            | 3                                   |  |
| Beam angle of light source         | 120 degree(s)                       |  |
| Light source color                 | 840 neutral white                   |  |
| Optic type                         | Very wide beam                      |  |
| Optical cover type                 | -                                   |  |
|                                    |                                     |  |
