

Maxos fusion

LL523Z CD WH

Maxos fusion Acc., White

Maxos fusion is an adaptable LED trunking system that offers an excellent quality of light while more than halving energy costs compared to fluorescent lamps. For retail applications, a family of linear panels, non-linear modules and a spot portfolio can be smoothly integrated into the track backbone to let your merchandise sparkle and stand out. For industrial applications, the focus is on reducing installation and maintenance cost by using fewer linear panels. With an electrical set-up of up to 13 wires, the freedom to position these fixtures as required and the integration of other services/third-party hardware, the system allows you to reduce ceiling clutter. It can also be easily re-configured to accommodate future layout changes. The infrastructure is enabled to integrate sensors for data collection, giving you the opportunity to use insightful granular information to support your business.

Product data

General Information		Fixation material	
Accessory colour	White	Housing Colour	White
Product family code	LL523Z [Maxos fusion Acc.]	Overall length	2,275 mm
Value ladder	Specification	Overall width	63 mm
Warranty period	5 years	Overall height	42 mm
Flammability mark	For mounting on normally flammable surfaces	Dimensions (height x width x depth)	42 x 63 x 2275 mm
EU RoHS compliant	Yes	Material	Steel
Operating and Electrical		Approval and Application	
Input Voltage	- V	Mech. impact protection code	IK00 [No protection]
Line Frequency	- Hz	Protection class IEC	-
Mechanical and Housing		Product Data	
Housing material	Steel	Order product name	LL523Z CD WH

Maxos fusion

Full product name	LL523Z CD WH
Full EOC	871869637467299
Order code	37467299
Material no. (12 NC)	910925864243
SAP numerator – quantity per pack	1

EAN/UPC – Product/Case	8718696374672
Numerator – packs per outer box	10
EAN/UPC – Case	8718696383612
