

# Mini 300 LED gen2

## **BBP400 ECO75-3S/757 I PAM WH D9 SNS CFRM**

Mini300 LED gen2, LED EconomyLine 7500 lm, Petrol asymmetric medium

With operating margins under pressure, companies are looking for ways to save energy. LED products like our Mini 300 LED gen2 luminaires are a perfect solution. Designed for petrol-station canopies and low-bay applications, these ultra-efficient retrofit fixtures offer outstanding light quality, effective thermal management, and a very long lifespan. Reduced maintenance, replacement and energy cost means a short payback period, making Mini 300 LED gen2 a shining example of how businesses can save money by opting for green products. A movement detector combined with a daylight sensor enables further energy savings. Our Mini 300 LED gen2 app gives users control in ways that are simply not possible with other luminaires — for instance, reading status and managing lighting from the floor by laptop or Smartphone via Bluetooth.

#### Product data

| General Information      |                                  |
|--------------------------|----------------------------------|
| Lamp family code         | ECO75 [LED EconomyLine 7500 lm]  |
| Light source replaceable | Yes                              |
| Number of gear units     | 1 unit                           |
| Driver included          | Yes                              |
| Photocell                | -                                |
| Light source engine type | LED                              |
| Product family code      | BBP400 [Mini300 LED gen2]        |
| Lighting Technology      | LED                              |
| Glow-wire test           | Temperature 960 °C, duration 5 s |
| Flammability mark        | -                                |
| CE mark                  | Yes                              |

| ENEC mark                          | ENEC mark |
|------------------------------------|-----------|
| Warranty period                    | 5 years   |
| EU RoHS compliant                  | No        |
| Embedded control                   | -         |
|                                    |           |
| Light Technical                    |           |
| Upward light output ratio          | 0         |
| Luminous Flux                      | 7,900 lm  |
| Standard tilt angle posttop        | O°        |
| Standard tilt angle side entry     | O°        |
| Correlated Color Temperature (Nom) | 5700 K    |
| Luminous Efficacy (rated) (Nom)    | 123 lm/W  |
