Vaya LineBar LED

BCX503 LED-HB/RGB 24V

LED High Brightness - Red, green and blue - 24 V

Vaya LineBar LED is an ultra slim LED profile which provides tremendous flexibility to integrate seamlessly with architectural structures. It brings urban landscapes to life with dynamic color-changing images - a property rarely possible with conventional lighting systems. Vaya LineBar also illuminates facades and intrinsic building details with vivid, color-changing light to accentuate building structures.
