

UnicOne Pendant Micro MPK541 C

LPK541 C 1xHAL-MR50-45W ET BA WH

1, MASTER Line ES 50 mm, 50 W, Electronic transformer, White

The UnicOne Pendant range allows you to decorate your interiors with very stylish suspensions while still enjoying the required lighting levels. This makes these luminaires suitable for use in, for example, reception halls, lobbies, supermarkets and other public areas. The Pendant series combines the refined UnicOne design style and details with a wide choice of best-in-class lamps and dedicated optics. Designed around MASTERColour CDM Tm Mini 20/35 W and Masterline halogen lamps, the UnicOne Pendant Micro versions feature a subtle conical lamp housing and a distinctive, square ceiling base, connected by sophisticated translucent cables.
