

# Essential SmartBright Slim Batten

BN068C LED3/WW L300

Essential SmartBright Slim Batten, 4 W

A flexible solution for long linear light for ambient lighting.

## Product data

| General Information         |               |
|-----------------------------|---------------|
| Light source replaceable    | No            |
| Driver included             | Yes           |
| CE mark                     | -             |
| Flammability mark           | -             |
| ENEC mark                   | -             |
| Light Technical             |               |
| Optic type                  | -             |
| Luminaire light beam spread | 110°          |
| Operating and Electrical    |               |
| Input Voltage               | 220-240 V     |
| Line Frequency              | 50 to 60 Hz   |
| Power Consumption           | 4 W           |
| Power Factor (Fraction)     | 0.5           |
| Temperature                 |               |
| Ambient temperature range   | -20 to +35 °C |

| Controls and Dimming                |                            |
|-------------------------------------|----------------------------|
| Dimmable                            | No                         |
| Driver/power unit/transformer       | Power supply unit (On/Off) |
| Mechanical and Housing              |                            |
| Housing Material                    | Polycarbonate              |
| Optic material                      | Polycarbonate              |
| Housing Color                       | White                      |
| Approval and Application            |                            |
| Ingress protection code             | IP20 [Finger-protected]    |
| Mech. impact protection code        | IK02 [0.2 J standard]      |
| Protection class IEC                | Safety class I             |
| Initial Performance (IEC Compliant) |                            |
| Luminous flux tolerance             | +/-10%                     |
| Power consumption tolerance         | +/-10%                     |
| Application Conditions              |                            |
| Maximum dim level                   | Not applicable             |
