

CoreLine Highbay

BY120Z G3 MB

Accessory, CoreLine Highbay

Following the successful introduction of the CoreLine High-bay in 2013, the upgrade to a new generation further improves the total cost of ownership and provides optionally DALI dimming for even further savings. Designed as a replacement for HPI 250/400 W luminaires, CoreLine High-bay G3 offers customers all the benefits of LED lighting – fresh light quality, longer service lifetime, reduced energy consumption and less maintenance – from a trusted manufacturer. At the same time, it delivers clear benefits for the installer too. The luminaire can be installed on the existing grid. Electrical connection is straightforward: there is no need to open the luminaire for installation or servicing. And being smaller and lighter than conventional luminaires, it is very easy to handle.

Product data

General Information		Full product code	871016330148800
Accessory color	Gray	Order code	911401505731
Mechanical and Housing		Material Nr. (12NC)	911401505731
Material	Steel	Numerator - Quantity Per Pack	1
Product Data		EAN/UPC - Product/Case	8718696902073
Order product name	BY120Z G3 MB	Numerator - Packs per outer box	6
Full product name	BY120Z G3 MB	EAN/UPC - Case	8710163301488
