

CoreLine Highbay

BY121Z G3 MB

Accessory, CoreLine Highbay

Following the successful introduction of the CoreLine High-bay in 2013, the upgrade to a new generation of LEDs has further improved colour rendering and total cost of ownership. Designed as a replacement for HPI 250/400 W luminaires, CoreLine High-bay offers customers all the benefits of LED lighting – fresh light quality, longer service lifetime, reduced energy consumption and maintenance – from a trusted manufacturer. At the same time, it delivers clear benefits for the installer too. The luminaire can be installed on the existing grid. Electrical connection is straightforward: there is no need to open the luminaire for installation or servicing. And being smaller and lighter than conventional luminaires, it is very easy to handle.

Product data

General Information		Full EOC	
Accessory colour	Grey	Order code	30149500
Mechanical and Housing		Material no. (12 NC)	911401505831
Material	Steel	SAP numerator – quantity per pack	1
Product Data		EAN/UPC – Product/Case	8718696902066
Order product name	BY121Z G3 MB	Numerator – packs per outer box	6
Full product name	BY121Z G3 MB	EAN/UPC – Case	8710163301495
