

CoreLine Highbay

BY121Z G3 MB

Accessory, CoreLine Highbay

Following the successful introduction of the CoreLine High-bay in 2013, the upgrade to a new generation further improves the total cost of ownership and provides optionally DALI dimming for even further savings. Designed as a replacement for HPI 250/400 W luminaires, CoreLine High-bay G3 offers customers all the benefits of LED lighting – fresh light quality, longer service lifetime, reduced energy consumption and less maintenance – from a trusted manufacturer. At the same time, it delivers clear benefits for the installer too. The luminaire can be installed on the existing grid. Electrical connection is straightforward: there is no need to open the luminaire for installation or servicing. And being smaller and lighter than conventional luminaires, it is very easy to handle.

Product data

General Information	
Accessory color	Gray

Mechanical and Housing	
Material	Steel

Product Data	
Order product name	BY121Z G3 MB
Full product name	BY121Z G3 MB

Full product code	871016330149500
Order code	911401505831
Material Nr. (12NC)	911401505831
Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8718696902066
Numerator - Packs per outer box	6
EAN/UPC - Case	8710163301495
