

PowerBalance RC600B

RC600B LED31S/840 PSU W60L60

LED module, system flux 3100 lm, 840 neutral white, Power supply unit (On/Off)

When it comes to lighting an office space with LED luminaires, people are willing to invest in sustainability, but only at reasonable cost. At the same time, the system should comply with office lighting norms to ensure a comfortable working environment. PowerBalance is an attractively priced LED luminaire specially developed to meet all office requirements. It consumes significantly less energy while offering longer life of the light source, resulting in lower operational cost compared to traditional luminaires.
