

# **GreenUp Highbay**

## BY550X LED100/NW ACW2 IS WB

LED module 10500 lm, Neutral white, Wide beam

GreenUp Highbay BY550 is a high efficient and reliable LED highbay for industrial high-ceiling facilities without humid and dusty requirement, designed for both new project and retrofit. This lighting system can deliver up to 88% energy savings with the integrated G2 Actimlume Wireless. It delivers point to point replace up to 400W HID and T5 6x54W higbay with easy installation. There are three beam shapes to choose with good light quality CRI85 and UGR 17. Integrated with G2 Actilume Wireless, GreenUp BY550 provide connected lighting with daylight, occupancy sensor, and ZigBee wireless communication, will increase your savings by upgrading to an intelligent system and delivering one-stop solution for your Factory, Warehouse, Distribution center, Indoor spot hall, and other high ceiling indoor application.

#### **Product data**

| General Information                 |  |
|-------------------------------------|--|
| Lamp family code                    | LED105 [LED module 10500 lm]                 |
| Light source replaceable            | No   |
| Number of gear units                | 1 unit                                       |
| Gear                                | -  |
| Driver included                     | Yes  |
| Light source engine type            | LED  |
|                                     |  |
| Glow-wire test                      | Temperature 650 °C, duration 30 s            |
| Glow-wire test Flammability mark    | Temperature 650 °C, duration 30 s            |
|                                     | Temperature 650 °C, duration 30 s  - CE mark |
| Flammability mark                   |  |
| Flammability mark  CE mark          |  |
| Flammability mark  CE mark          |  |
| Flammability mark CE mark ENEC mark |  |

| Correlated Color Temperature (Nom) | 4000 K                         |
|------------------------------------|--------------------------------|
| Luminous Efficacy (rated) (Nom)    | 100 lm/W                       |
| Color rendering index (CRI)        | >85                            |
| Light source color                 | Neutral white                  |
| Optic type                         | Wide beam                      |
| Optical cover type                 | Polycarbonate bowl/cover clear |
| Luminaire light beam spread        | 90°                            |
|                                    |                                |
| Operating and Electrical           |                                |
| Input Voltage                      | 220 to 240 V                   |
| Line Frequency                     | 50 to 60 Hz                    |
| Power Consumption                  | 80 W                           |
| Power Factor (Fraction)            | 0.9                            |
| Connection                         | Screw connection block 3-pole  |
|                                    |                                |
