

# GreenSpace Downlight G4

## DN291B 1xDLED-3000 PSU WH CAU WP

GreenSpace Downlight G4, 11.6 W, Beam angle 60 to 120°, Finger-protected

GreenSpace Gen4 is the new LED downlight with high efficacy (95~ 100lm/W) delivering substantial energy saving. It offers diverse configurations within 600~2,000lm. GreenSpace Gen4 could apply to shopping mall, retail store and office application with different variants . The lifetime is 50,000 hours (L70 @ 25C)

### Product data

| General Information         |                                   |
|-----------------------------|-----------------------------------|
| Light source replaceable    | No                                |
| Number of gear units        | 1 unit                            |
| CE mark                     | CE mark                           |
| ENEC mark                   | -                                 |
| Glow-wire test              | Temperature 650 °C, duration 30 s |
| Light Technical             |                                   |
| Number of light sources     | 1                                 |
| Light source color          | 830 warm white                    |
| Optic type                  | Beam angle 60 to 120°             |
| Optical cover type          | Transparent bowl with white cover |
| Luminaire light beam spread | 90°                               |
| Operating and Electrical    |                                   |
| Input Voltage               | 220-240 V                         |
| Power Consumption           | 11.6 W                            |

| Power Factor (Fraction)       | 0.9                        |
|-------------------------------|----------------------------|
| Cable                         | Cord with plug SAA 3-pole  |
| Temperature                   |                            |
| Ambient temperature range     | -20 to +40 °C              |
| Controls and Dimming          |                            |
| Dimmable                      | No                         |
| Driver/power unit/transformer | Power supply unit (On/Off) |
| Constant light output         | Yes                        |
| Mechanical and Housing        |                            |
| Housing Material              | Aluminum                   |
| Reflector material            | Polycarbonate              |
| Optic material                | Polycarbonate              |
