

## **GreenUp Waterproof**

## WT118C LED9 NW PSD L600 ENG

GreenUp Waterproof, 11 W, 1000 lm, 4000 K, DALI, 120°

GreenUp Waterproof is a high efficient and reliable LED luminaire, designed for industrial application with humid and dust protection requirement. It delivers significant energy savings of up to 62% as compared to conventional dual-T8 waterproof. Utilization of UV-shield PC and extrusion process makes it suitable for semi-outdoor environments, and together with the built-in breather ensure a sound performance. With professional optic design and Philips LED module gives the most comfortable light experience of CRI 85.

## Product data

| General Information  |                                  |
|--|----------------------------------|
| Light source replaceable   | No                               |
| Number of gear units   | 1 unit                           |
| Gear   | -                                |
| Driver included  | Yes                              |
| Light source engine type   | LED                              |
| Glow-wire test   | Temperature 650 °C, duration 5 s |
| Flammability mark  | -                                |
| CE mark  | CE mark                          |
| ENEC mark  | -                                |
| Warranty period  | 3 years                          |
| EU RoHS compliant  | Yes                              |
|  |                                  |
| Light Technical  |                                  |
| Luminous Flux  | 1,000 lm                         |
| Correlated Color Temperature (Nom)   | 4000 K                           |
| Luminous Efficacy (rated) (Nom)  | 90.91 lm/W                       |
| Color rendering index (CRI)  | >80                              |
