## BDP780 GRN30/740/BL PSU II DM RB GR CLO

CitySphere, LED GreenLine 3000 lm, Distribution medium, Constant light output, Post-top for diameter 76 mm

At a time of rapidly changing social practices, every city is looking to be more attractive, welcoming, convenient and safe. CitySphere is a post-top ambiance LED luminaire designed to create a comfortable and pleasant atmosphere that puts the users of public spaces at ease. A slim, discreet presence during the day, it brings urban spaces to life at night. CitySphere delivers a visually comfortable volume of light and gives the city its own color signature. CitySphere comes with dedicated spigots, brackets and poles, enabling development planners, specifiers and decision makers to create a consistent urban identity and ambience.

#### Product data

| General Information      |   |
|--------------------------|---|
| Lamp family code         | GRN30 [LED GreenLine 3000 lm]                   |
| Light source replaceable | No  |
| Number of gear units     | 2 units   |
| Driver included          | Yes   |
| Photocell                | -   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |
| Light source engine type | LED   |
| Product family code      | BDP780 [CitySphere]                             |
| Lighting Technology      | LED   |

| Value ladder                   | Specification                      |
|--------------------------------|------------------------------------|
| Embedded control               | Constant light output              |
| CE mark                        | Yes                                |
| Warranty period                | 3 years                            |
| Flammability mark              | For mounting on normally flammable |
|                                | surfaces                           |
| ENEC mark                      | ENEC mark                          |
| Glow-wire test                 | Temperature 650 °C, duration 5 s   |
| EU RoHS compliant              | Yes                                |
|                                |                                    |
| Light Technical                |                                    |
| Upward light output ratio      | 0.03                               |
| Luminous Flux                  | 2,400 lm                           |
| Standard tilt angle posttop    | O°                                 |
| Standard tilt angle side entry | O°                                 |
|                                |                                    |
