# **PHILIPS** Lighting

# Villa LED

# BDP765 LED14-4S/830 PSDD DS50 BK DDF27 D

VILLA LED, LED module 1400 lm, 830 warm white, Power supply unit with DynaDimmer, Safety class I, Distribution symmetrical 50, Flat glass, Black, DynaDimmer with fixed presets version 27

Villa LED retains the specific proportions and shape of the traditional four-sided luminaires originally used in 19th century Madrid. It allows a remarkable balance between performance and heritage preservation. Now widely used across the Iberian Peninsula, Villa LED is suitable for lighting historical environments and traditional towns and villages. Villa LED also allows municipalities to enjoy the benefits of the latest technologies developed by Philips Lighting, including the CityTouch connected lighting system. Villa LED is also equipped with dedicated light recipe that preserves a dark night sky.

#### Product data

| General Information      |   |
|--------------------------|---|
| Lamp family code         | LED14 [LED module 1400 lm]                      |
| ight source replaceable  | Yes   |
| lumber of gear units     | 1 unit  |
| Driver included          | Yes   |
| Remarks                  | *-Per Lighting Europe guidance paper            |
|                          | "Evaluating performance of LED based            |
|                          | luminaires - January 2018": statistically there |
|                          | is no relevant difference in lumen              |
|                          | maintenance between B50 and for example         |
|                          | B10. Therefore, the median useful life (B50)    |
|                          | value also represents the B10 value.            |
| Light source engine type | LED   |
|                          |   |
