

# CB100 Step Light

Step Light, Composite Brick Light, Black, 18W CFL, 12V

Step Light, Composite Brick Light, Black, 18W CFL, 12V

The CB100 is a composite: low voltage step light suitable for many deck and traffic areas. It's available in both line voltage and low voltage source in a variety of wattages. Construction includes a die-cast aluminum back box with a horizontal louver faceplate made from injection molded RYTON® composite with frosted tempered glass and stainless steel screws.

## Product data
