

RF Mesh nodes

LCN7340/00 Starsense Wireless SC RF mod.

Starsense Wireless is a networked controls system based on two-way wireless communication using the latest in mesh network technology. The system enables individual light points to be controlled remotely and to be managed via online platforms, like CityTouch. Lighting operators can control remotely the outdoor lighting infrastructure setting dimming levels to achieve considerable energy savings and can get real time feedback from the luminaires reducing operating and maintenance costs via accurate scheduling of on-site maintenance service tasks, while improving both the quality and reliability of outdoor lighting.

Product data

Product Data	
Order product name	LCN7340/00 Starsense Wireless SC RF mod.
Full product name	LCN7340/00 Starsense Wireless SC RF mod.
Full product code	871829121987300
Order code	913700349703
Material Nr. (12NC)	913700349703

Numerator - Quantity Per Pack	1
EAN/UPC - Product/Case	8718291219873
Numerator - Packs per outer box	1
EAN/UPC - Case	8718291219880
