

Helios LED

ZPS900 MBW

Helios accessories

Helios LED allows significant energy savings while retaining the existing style of light fixture, for instance in renovation projects. With a design symbolizing the Olympic flame, the luminaire is a highly decorative element that will enhance any city space. Helios LED delivers comfortable indirect white light without glare, thanks to the internal optical diffuser, and offers the latest possibilities for dimming.

Product data

General Information		Material Nr. (12NC)	
Product family code	ZPS900 [Helios accessories]	Numerator - Quantity Per Pack	1
Product Data		EAN/UPC - Product/Case	5701591003566
Order product name	ZPS900 MBW	Numerator - Packs per outer box	1
Full product name	ZPS900 MBW	EAN/UPC - Case	5701591003566
Full product code	570159100356600		
Order code	919008610561
