

Megalux TCS912

TCS912 2xTL-D32W/840 EB C1

2, MASTER TL-D, 32 W, 840 neutral white, Electronic, High-gloss mirror flat lamellae louver

Featuring an elegant, compact design, Megalux luminaires are specially designed for use with TL-D tubular fluorescent lamps of 16 or 32 W. Ideal for indoor use such as in offices or commercial areas. Available in recessed and surface-mounted versions, they can be recessed in any type of ceiling (plaster or paneled). Two optic options provide the freedom to create projects that are fully integrated into the environment while also providing efficient and economical lighting. They are easy to install and the ballast is accessed from below without the need to remove the luminaire from the installed location.
