

Elegance TCS930

TCS930 2xTL5-14W/840 EB C5

2, TL5, 14 W, 840 neutral white, Electronic, High-gloss optic double parabolic

With their advanced design and compact size, Elegance luminaires are suitable for use in a wide variety of commercial lighting projects and offices, providing a contemporary and harmonious look. Available in recessed or surface-mounted versions and with two optical system options (C5 and CD), the TBS/SCT 930 luminaires add a touch of sophistication wherever they are installed. They were designed to be used with TL5 lamps of 14, 25, 28, 50 and 54 W - the most advanced technology in fluorescent lighting - which enable high levels of performance and therefore ensure exceptional energy savings.
