

TCW060 A

TCW060 2xTL5-25W/840 EB PC-S

2, TL5, 25 W, 840 neutral white, Electronic, Polycarbonate small

The new TCW060 hermetic luminaire is ideal for use in harsh environments where protection against vapor, water, and dust is required. It has been specially designed and developed for use with TL-D / TL5 tubular fluorescent lamps and electronic ballasts. Its compact and economical design provides perfect integration with the environment. The IP65 protection means the TCW060 is waterproof, enabling it to be used in damp places such as in industry, warehouses, garages, etc. It is easy to install and maintain because it has adjustable ceiling clips to make installation even more flexible and practical.

Product data
