## TBS022 2xTL5-25W R-H

2, TL5, 25 W, Reflector high reflectance

The TBS022 luminaire has a high-reflectance, high-gloss aluminum reflector. This guarantees high performance, making this system the best lighting solution for retail applications. It also features excellent light distribution, elegance, and advanced technology. This recessed luminaire consists of two TL5 lamps of 50 and 54 W and can be used to replace systems with luminaires for HO 110 W lamps. The high-performance electronic ballast ensures a longer lamp life and is internally mounted in the luminaire, preventing any risk of the wiring being accidentally disconnected during installation.
