## 7007/LL 575W Heat Sink 230V 1CT/10

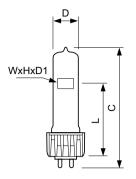

HPL lamps include a barrel-shaped filament that is approved by ETC for use in its Source Four<sup>™</sup> fixtures. Bright, high quality light and high beam intensity is assured by the optimal filament design, while the unique P3 technology, developed by Philips, allows the lamp to be used at higher temperatures, which extends lifetime and consistency of high-quality light output, resulting in fewer early failures and fewer maintenance man hour costs.
