

# **Halogen FastFit**

## Hi-Brite 7017G 750W 80V FastFit

Halogen FastFit lamps are replaced in seconds - thanks to the specially designed base. The compact filament ensures high beam intensity, while the shock-resistant design allows easy handling and reliable use in moving head systems. In addition, the highly innovative P3 technology allows use at higher temperatures, which further extends lifetime and consistency of light output. P3 technology also allows the lamp to be used in any burning position and enables more compact designs of fixtures. And because the FastFit design is also applied to Philips MSR/MSD Gold™ lamps, switching lamp technologies is also quick and easy.

#### **Product data**

| General Information        |                                  |  |  |  |  |
|----------------------------|----------------------------------|--|--|--|--|
| Cap-Base                   | PGJX50 [PGJX50]                  |  |  |  |  |
| Operating Position         | UNIVERSAL [Any or Universal (U)] |  |  |  |  |
| Life to 50% Failures (Nom) | 300 hour(s)                      |  |  |  |  |
|                            |                                  |  |  |  |  |
| Operating and Electrical   |                                  |  |  |  |  |
| Power Consumption          | 750 W                            |  |  |  |  |
| Voltage (Nom)              | 80 V                             |  |  |  |  |
| Voltage (Nom)              | 80 V                             |  |  |  |  |
|                            |                                  |  |  |  |  |
