

# InteGrade LED fixture system

## InteGrade fixture value 1175mm(46") WWR

The InteGrade LED fixture system is an energy-efficient way to create an enjoyable shopping experience. Thanks to its compact dimensions, the fixture can be aesthetically integrated below and inside shelves, e.g. in a store interior or refrigerated cabinet. Asymmetrical optics direct the light where you want it, thus making optimum use of the light and energy. The products or background you want lit will be presented uniformly, with reduced glare and dark spots. Our LEDs have minimal output degradation and colour shift, so the light remains consistent throughout their long lifetime. InteGrade LED is an ideal solution for high-quality lighting without flicker or colour differences. The fixture consists of a profile with LED engines and inline locks. Mounting accessories, cables and LED power driver are available separately.

### Product data

General Information		Operating and Electrical	
Lighting Technology	LED	Power Consumption	10 W
Light Technical		Temperature	
Color Code	- [Not Specified]	Ambient temperature range	-30 °C to 30 °C
Luminous Flux	600 lm	Mechanical and Housing	
Life to 70% Lumen Maintenance	50,000 hour(s)	Product Length	1,175 mm
Color Consistency Initial	<8	Approval and Application	
Correlated Color Temperature (Nom)	-	Approval Marks	CE marking
Luminous Efficacy (rated) (Nom)	60 lm/W	Product Data	
Color rendering index (CRI)	-	Order product name	InteGrade fixture value 1175mm(46") WWR

InteGrade LED fixture system

Full product name	InteGrade fixture value 1175mm(46") WWR
Full product code	871829166192400
Order code	929000848913
Material Nr. (12NC)	929000848913
Numerator - Quantity Per Pack	1

EAN/UPC - Product/Case	8718291661924
Numerator - Packs per outer box	12
EAN/UPC - Case	8718291661931
