

# Standard LED bulbs

## LEDBulb 9.5-75W E27 3000K W A60 ND

Standard LED bulbs are compatible with existing fixtures with a E27 holder and are designed for retrofit replacement of incandescent, halogen and energy saving bulbs. They deliver huge energy savings and minimize maintenance costs. The Standard LED bulb is the perfect bulb for your basic lighting needs. It provides the beautiful light and performance you expect from the LED technology at an affordable price.

### Product data

| General Information                   |                    | Wattage Equivalent        |                                    |
|---------------------------------------|--------------------|---------------------------|------------------------------------|
| Cap-Base                              | E27 [E27]          | 75 W                      |                                    |
| Nominal lifetime                      | 25,000 hour(s)     | Starting Time (Nom)       | 0.5 s                              |
| Switching Cycle                       | 50,000             | Warm-up time to 60% light | 0.5 s                              |
| Lighting Technology                   | LED                | Power Factor (Fraction)   | 0.92                               |
| EU RoHS compliant                     | Yes                | Voltage (Nom)             | 100-240 V                          |
| Light Technical                       |                    | Temperature               |                                    |
| Color Code                            | 830 [CCT of 3000K] | T-Case Maximum (Nom)      | 80 °C                              |
| Beam Angle (Nom)                      | 150 degree(s)      | Controls and Dimming      |                                    |
| Luminous Flux                         | 1,055 lm           | Dimmable                  | No                                 |
| Color Designation                     | White (WH)         | Mechanical and Housing    |                                    |
| Correlated Color Temperature (Nom)    | 3000 K             | Bulb Finish               | Frosted                            |
| Luminous Efficacy (rated) (Nom)       | 111.05 lm/W        | Bulb Shape                | A60 [A 60mm]                       |
| Color Consistency                     | ANSI               | Product Data              |                                    |
| Color rendering index (CRI)           | 80                 | Order product name        | LEDBulb 9.5-75W E27 3000K W A60 ND |
